inamo Covent Garden
Famed for being the first restaurants to combine interactive technology & dining, inamo is now open in a brand new location just off Covent Garden, with state of the art ordering systems, interactive tablecloths & new engaging content for adults and younger guests alike. The Asian fusion cuisine will also be a feast for your senses and sumptuous decor includes glowing onyx panels, clusters of bamboo, and a stunning lighting system, the experience will be unlike anywhere else in London or beyond.

G = contains Gluten, N = contains nuts (other dishes may contain sesame, please ask), E = contains eggs
